

Trade In and Trade Up to Next-Generation Technology

YOUR TRADE-UP TRANSITION PLAN STARTS HERE

Relying on outdated mobile computer technology can slow you down and compromise your operations. And with Microsoft phasing out support for its mobile operating systems and the sunset of 3G networks in full swing, there has never been a better time to trade in and trade up to next-generation Honeywell mobile devices.

For a limited time, trade in your outdated mobile computers and save up to \$200 when you purchase an eligible Honeywell device. Take your savings even further and ensure you get the predictable performance you need to maximize device uptime and return on investment with Honeywell support and repair services.

Here's What You Get When You Upgrade to Honeywell's Android™-Powered Mobile Devices:

Simpler mobile deployments, with less risk and cost

Faster, more accurate, and more effective employees

Heightened customer satisfaction levels

Reduced costs and more efficient operations

How to Get Your Cash Rebates

- 1. Speak with an authorized Honeywell Performance Partner today** to help you confidently select, deploy, and manage the Honeywell devices and services best suited to your needs.
- 2. Purchase a qualified product** and take the first step to modernize your operations with a clear path to a better user experience, optimized performance, and the ability to take advantage of the latest security protection.
- 3. Submit your rebate claim** within 90 days of the date of purchase.
- 4. Trade in your outdated devices.** Ship the trade-in rebate form and a copy of the reseller invoice with shipment of existing devices for program tracking and to verify purchase of new Honeywell products.

Program Rules and Regulations

The Trade-In Rebate program is available for end-customer purchases in the United States and Canada made between September 1, 2018 and December 31, 2018. (Note: Customers in Quebec, Canada are not eligible for this promotion.)

Honeywell Trade-In Rebate offer is eligible for qualifying new Honeywell products listed at www.honeywellaidc.com/tradeup and purchased from an authorized Honeywell reseller.

Honeywell Trade-In Rebates are offered on any Honeywell or competitor mobile computer products in working condition when received at the processing center. Rebates will not apply for non-working units. Each rebate will require one trade-in product and will be issued on a 1:1 basis to the number of eligible Honeywell products purchased.

Trade-In Rebate claims must be submitted no later than 90 days after the purchase of a qualified Honeywell mobile computer product.

This promotion may not be combined with price exception (PE) pricing that has been offered directly to an end customer or to/through a reseller partner.

End customer must submit the Trade-In Rebate form at www.honeywellaidc.com/tradeup and a copy of Reseller Invoice with shipment of existing devices for program tracking and to verify purchase of new Honeywell products.

Allow six to eight weeks for rebate check from time that trade-in product is received by Honeywell. Rebate payable in U.S. dollars only. Claims that do not comply with the terms of this offer will be rejected. Honeywell is not responsible for lost, stolen, or misdirected submissions. Rebate checks are void if not cashed within 90 days of issuance and may not be reissued.

Honeywell reserves the right to change the specifications of this promotion at any time without prior notice.

For additional trade-in promotion information, contact your local Honeywell representative or authorized Honeywell reseller.
