The Verifone M400 takes the multi-lane experience to a whole new level. Boasting a sleek, new, innovative design, and stunning 5" multi-touch display with superior screen resolution, this powerful device captivates. Part of the Verifone Engage family of interactive, commerce-enabling devices, the Verifone M400 leverages our secure, connected framework to transform the in-store experience to deliver rich, two-way interactions that engage customers like never before. The Verifone M400 incorporates all the latest payment technology, including acceptance of the latest payment types, as well as beacon capabilities for added flexibility and delivery of personalized offers and value-added services.

- Enhanced user interface with intuitive screens and prompts
- Ready for the future: supports MSR, EMV, NFC/contactless and mobile wallet payments
- Flexible connectivity options, including Bluetooth/BLE + WiFi
- Fully supported, PCI-certified device
- Connects to Verifone Merchant Marketplace for customization of the point of sale without the need to recertify the terminal
