* Manufacturer recommends soap & water for all see-through plastics. Refer to manufacturer's guidelines for other approved cleaners.

In a rapidly changing environment, you need solutions to help ensure the protection, health, and wellness of your customers and employees. POSDATA, together with Sensormatic Solutions, is committed to providing you with the materials and turnkey solutions to help partition and contain your retail and customer service counters.

See-Through Acrylic Sheet for Barriers and Partitions

These acrylic barriers and partitions help protect the health and wellness of your employees and customers! All of the options are lightweight, impact-resistant and easy to clean. We can cut clear acrylic to the size you need for your space; they also offer custom routing. Contact your account manager for information.

Ready-to-Install "Sneeze Guard" Barriers

If you need a ready-to-install solution, we offer standard "sneeze guards" that are quick and simple to install. They are well-suited for retail and customer-service counters, helping to protect the health and wellness of your employees and customers with a high clarity acrylic shield, and pass-through area.
