June 3rd, 2022

# 1\_Announcement

The purpose of this notice is to advise that Ingenico North America Region is announcing a withdrawal from marketing and sale of the Lane/5000V3 PCI PTS v5 device.

The timing intent of this notice is to allow Customers a 1-year period to transition from the Lane/5000V3 to the Lane/3600 Deluxe Touch with camera.

The Lane/5000V3 references being EOL are:

Product Name	Reference	Description
Lane/5000 V3 Deluxe	PRB32611578I	Camera, Wifi/BT, ETH, RS232
Lane/5000 V3 Standard	PRB30311574I	ETH, RS232

The relevant dates and Lane/5000V3 support commitments are detailed below.

## 2\_Rationale

The Lane/5000V3 is an EMV Level 1 Contactless v2.6b and a PCI PTS v5 certified device.

The EMV L1 contactless certification of the Lane/5000 V3 expires on April 16th, 2023 and cannot be renewed without a hardware change.

The Lane/3600 Deluxe Touch with camera is an Ingenico Tetra Next Generation product utilizing the latest chip set and contactless design technology. It supports EMV L1 Contactless v3 and is a PCI PTS v6 device.

As a consequence, the Lane/5000 V3 End Of Life (EOL) is being announced with the milestone dates listed in this bulletin.

Lane/5000 V3 customers will have one year to migrate to the Lane/3600 Deluxe Touch with camera device.

### 3\_Key Dates

Key Milestones	Description	Date
<b>Initial EOL (End of Life) Announcement</b>	The date the announcement of the EOL of a product is sent out to partners and customers.	June 3, 2022
<b>EOL Date</b>	The date the End of Life officially takes effect.	June 3, 2023
<b>LBO (Last Buy Order)</b>	The last date to order the device through Ingenico. This is the final forecast	December 31, 2022
<b>Last Shipping Date</b>	The last possible ship date that can be requested.	June 3, 2023
<b>EOS (End of Support) Date</b>	The last date to receive support for the device. All customers should refer to their specific warranties and service agreements to determine the level of maintenance and support they are entitled to receive during the EOL period.	June 3, 2026

- Any services after the June 3rd, 2026 date may be requested. Acceptance of said request will be based on the provided business case and parts availability. These services will be provided on a “best-efforts” basis based on existing stock or parts. No new parts will be procured after the EOS date.

### 4\_Migration Options

Customers and business partners are encouraged to migrate to Ingenico’s Lane/3600 Deluxe with camera.

- The Lane/3600 Deluxe Touch with camera has similar functionality and is certified to the EMV L1 Class v3 standard and is PCI PTS v6.
- If Wi-Fi/BT functionality is required the Lane/7000 Deluxe with Wi-Fi/BT is an optional migration path.

Product Name	Reference	Description
<b>Lane/3600 Deluxe Touch with camera</b>	PRK70313085A	<b>2.8” Color Display, Capacitive Touch, Camera, ETH, RS232</b>
<b>Lane/7000 Deluxe with Wi-Fi/BT</b>	PRG32612957R	<b>5” Color Display, Capacitive Touch, ETH, RS232, Wifi/BT</b>

### 5\_Additional Information
