

INARI 8 PAY

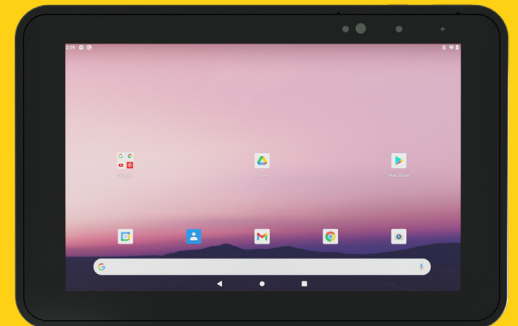

Contactless payment adoption is on a huge upward trend. This requires the appropriate technology that enables contactless payment, the fastest and safest method available. The 8" Android™ powered Inari 8 Pay tablet is **THE POS** device equipped with leading-edge front facing NFC antenna allowing CPoC, contactless payment by simply holding the debit/credit card, a cell phone or even smart watch on the tablet screen. Payment SoftPos applications allow contactless payment anywhere in your shop/ restaurant and outside for curbside pick-up or drive-thru.

KEY FEATURES

- High-Performance front-facing NFC antenna optimised for EMV payment
- Contactless payments on display (CPoC)
- GMS Android with security updates
- Enterprise durability and ruggedization
- Longevity

Payment NFC	Front facing NFC antenna behind Display Optimized for CPoC payment processing Supporting EMV and other payment cards like transit cards (Felica, MiFare) Partners SoftPOS application – PCI approved connected to payment gateways
Display	8.4" 1600 x 2560 px 800 cd/m2
Touch	Multi-touch Passive stylus support (2mm tip) & glove support (support of cotton gloves) Improved usage in wet environments (rain & outdoor)
Platform	Qualcomm® Snapdragon™ 660 Octa Core Processor 2.2GHz
Operating system	Android 10 with GMS, Future releases TBC. Regular security and maintenance updates guaranteeing safety of payment processing
Memory	Front facing NFC antenna behind Display RAM: 3GB LPDDR4 Storage: 32GB eMMC (64GB /128GB / 256GB optional) µSDXC Card Slot, accessible by end user
Communication	WLAN IEEE 802.11 ac+r/k/v WiFi, WiDi, BT5.0, BLE, GPS/GLONASS/Beidou/Galileo
Cameras/Scanning	Front 2MP Main 8MP Aava Scan application enabling professional scanning via main camera
Interfaces	USB-C, USB 3.1 Gen 1, PD (12V/3A) and DP 1.4 (for fast charging & debugging) Docking connector: USB 3.1 Gen 1, HDMI 1.4b, fast charging µSD card slot in battery compartment SAM Card Reader à SAM (optional) SmartBack Connector for easy USB accessory integration
Sensors	E-compass, accelerometer, gyro, ambient light sensor
Mechanics	IP65 (dust- and waterproof) Drop resistance from 1 m on concrete and 1.22 m on plywood with optional scanner frame: up to 1.5 m on plywood with optional rugged frame: up to 1.8 m on concrete Replaceable battery by qualified person Kensington Lock feature
Battery	Battery up to 10 hrs: 25 Wh (3.8V, 6.600 mAh)
Cleaning Agents and Chemical Resistance	Clorox -Dispatch with Bleach (wipes) Clorox Healthcare Bleach Germicidal Wipes Diversey -Dimension 256 Neutral Disinfectant Cleaner (liquid) Ethanol & Isopropyl (liquid, 70% solution) PDI Sani-Hands & PDI Super Sani Cloth Germicidal Wipes Olive Oil Vaseline Nivea Smooth Care Hand Cream
Dimensions	227.83 x 150.04 x 12.65 mm
Weight	Approx. 540 g
Operating conditions	Temp: -20°C – +50°C Humidity: 10% - 90% ESD rating 15kV Air Discharge
Storage conditions	Temp: -20°C – +60°C
Availability	available until 2023
Warranty	1 year standard warranty Optional: 3 years warranty contracts
Leasing model	E-compass, accelerometer, gyro, ambient light sensor
